

Kendale Lakes Elementary

Free Mobile APP

Kendale Lakes Elementary is delighted to announce that we now have our very own school "APP." YourSchoolApp.net developed this app with the entire Kendale Lakes family in mind. Having this new tool in the palm of your hands not only keeps all app users up to date with important school information but will also enhance the learning experience for our students. The new KLE mobile app leverages the cutting edge technology of today to make life easier for students, parents, and teachers alike.

Below are just some of the features of our new app: Push Notifications; Current Event Calendar; Directory; Parent, Student & Teacher Resources; Portal Access & One touch email capability from the Directory.

Please download the FREE app in the iTunes App Store or Google Play Store. Search for "[Kendale Lakes Elementary](#)", download and enjoy this great new tool. Please contact Mrs. Jaureguizar at mjaureguizar@dadeschools.net with any questions.
